Evie Shaw
Sammy Graham

Year 5

Amelia Smith
Josh Daintith
Niamh Corley-Lewis
Pia Mittag

Year 6

William Wray
Callum Booth-Ford
Emma Drewe-Smith
Ollie Polec

Pupil Voice

The Pupil Voice team have come to the end of their term and we would like to thank them for their hard work and commitment this year. As well as organising two charity days, they have made some important decisions, gathered children's opinions and had a large input into the development of our playground. By working as a team and showing a mature, sensible attitude they have been excellent role models at St Wilfrid's. Well done Pupil Voice!

Liver Foundation

Thank you to everyone who donated to our charity day last week for the Liver Foundation. Everyone looked great in their blue and yellow clothes! Overall we raised £304 which will go towards helping many people with liver conditions – thank you.

Enterprise

Once again St Wilfrid's CE Primary School have just completed their annual Year 6 Enterprise Project. This is a business style topic that encourages the children to understand the processes involved in management and team work. Every year we have a recycling theme so that we take into account global responsibility too. The project culminates in a Dragon's Den style presentation, where two of our school governors - Mr Davies and Mr Hanson - had the difficult but enjoyable task of choosing the winning teams. They were impressed by the standard and diversity of the children's products and the fact that they raised £1,047.91 in support of this year's worthwhile cause: the cancer research facility at Clatterbridge Hospital.

The most innovative design team were **Bonkerz**: Ella McDonald, Izzy Byrne, Monty Jones, Cameron Worsley, Abi Lloyd, Aaron Ferris and Bonnie Kreisler-Worrall.

The overall winning team were **Blue Planet**: Emma Drewe-Smith, Jess Hanson, Leo Martin, Lucie Reynolds, Olli Polec, Max Ryder and Will Catherwood.

Friends News

Can you please make sure you find a few minutes to read this week's Friends newsletter as they have amazing news! Due to Friends hard work and relentless enthusiasm over the past few years, they have achieved their goal of raising an unbelievable £50,000 for our new playground area! There is a photograph of the new equipment which is being installed over the summer holidays on Friends newsletter. We are so lucky to have such a dedicated group of volunteers who want to fundraise to provide additional resources which we could not afford from our school budget and what they have achieved this time truly is outstanding. We would also like to thank everyone who has supported the events which have raised this huge sum, from the Spring Ball to Walking Day and all the discos and pamper nights in between – every penny raised has gone towards this installation. The children have been involved in choosing the equipment so the end result is very much their decision. We will be having an official opening in September, we can hardly wait!

Staffing News

Congratulations to Miss Fletcher who is getting married in the summer holidays. We hope she has an amazing day, she will become Mrs Atherton in school from September. We would like to thank Mrs Harper for her hard work whilst at our school and wish her every success in her new school.

School Band

We spent a very enjoyable afternoon at Victoria House yesterday afternoon with the school band. The children entertained the residents with a number of musical pieces, a good time was had by all.

End of Year Services

Just a reminder about the end of year services next week. The services will be led by Reverend Jane and will be a celebration of this school year.

Foundation Stage, Years 1 & 2	9.00am	Monday, 23 July
Years 3, 4, 5	11.00am	Monday, 23 July
Year 6 Leavers Service	2.00pm	Tuesday, 24 July

All three services will be in Church and parents are very welcome to join us.

Open Afternoon

We are having our annual open afternoon tomorrow. You can come into school from 1.30pm to celebrate your child's achievements this year by looking through their books together. You may take your child home after this if you would like. Miss Sweeney will not be in school tomorrow as she is at her graduation ceremony. She has completed her National Award for SEN Co-ordination PG Certificate – well done Miss Sweeney. Mrs Fahimi will be in Year 1 during the open afternoon. If you need to speak to Miss Sweeney about any aspect of your child's report, please telephone the school office to make an appointment.

Own Clothes Day

This half term's winning houses are Mandela and Peake. The children in these houses can come to school in their own clothes tomorrow if they wish. Well done Mandela and Peake.

Year 4 Tattenhall Residential

Miss Rogers' class will be going in September and Mrs Pauline's class will be going in October.

Extreme Reading

Last year we ran a competition to see who could come up with the most extreme/unusual place to read over the summer holidays. Last year's entries really made us laugh and hopefully it encouraged the children to read as well! We are going to run the same competition in September, so if you are going somewhere exciting do not forget to pack a book and take a photograph of the children reading. We will collect the photographs in the first couple of weeks of term. Happy reading!

Year 6 Leavers Class Pictures

The annual Year 6 leavers class pictures will be published in next week's Warrington Guardian, which will be in shops on Thursday, July 26.

Goodbye

As we come to the end of this academic year, we cannot leave without saying goodbye to our Year 6 children. They have had a great Year 6 and have worked really hard, whether it has been towards their SATs, enterprise, the production or getting to the top of Jacob's Ladder at PGL! We are very proud of everything they have achieved at St Wilfrid's and we hope they have a wonderful time at high school.

"This school is like a four leaf clover - it is almost impossible to find but once we have it, it is even harder to leave behind." Ella

"Year 6 is like birds travelling in a v shape formation, if anyone is ever down, upset or tired they can fly to the back and can rely on the people in front to carry them to the end."
Charlie Hewitt-Dutton

"St. Wilfrid's is a macaw in a flock of crows. Here you can be unique and be the best version of you."
Lucie and Olivia

"This school is like a second home full of fun memories and some of my favourite people."
Dan Worsley

"Your life at St. Wilfrid's is like a book. Once you are at the end you want to read it all over again."
Olivia and Lucie

"St. Wilfrid's is a small school, on a small road, in a small village, in a small world but to us, it's been a big part of our short lives so far."
Ava

And finally ...

We would like to thank you for all of your support throughout the year. We have had an army of volunteers who not only fundraise, but help in our school, go swimming with the children, go on trips, parent representatives and many others who all enhance the learning experiences for our children. We would like to give a final message of thanks to those families who are leaving us as their last child goes off to high school – we have loved teaching your children and hope they continue to flourish. We hope everyone has a wonderful summer (and that the sun keeps shining!).
