### Remembrance

If you have not had the chance to visit Church yet to see the 'There but not there' exhibition, it is well worth a visit. Church is open from 9.00am daily until Tuesday, 13 November. Lots of different organisations in the community have been involved in the project, including all of our Year 6 pupils. There is a special Remembrance Day service in Church on Sunday at 10.45am where we will remember everyone who fought for our country.

### Anti-Bullying Week

It is national Anti-Bullying week beginning 12 November. This year's theme is 'Choose Respect'. We will be looking at what bullying is and how we can stand up to bullying behaviours. The children are going to collectively create their own Anti-Bullying Policy and design an anti-bullying symbol to use around school. We are also asking the children to join in the Odd Socks Day on Monday in support of anti-bullying (the more colourful the better!).

Thursday, 15<sup>th</sup> is the first 'Stop Speak Support' cyber bullying day. E-safety is part of our curriculum and is revisited many times throughout the year, however we will be taking another look at it next week. Many of the children play games online, especially as Fortnite is so very popular at the moment. We will discuss things they can do if someone is being unkind on-line.

## Children in Need – Pyjama Day

As you know, on Friday 16 November it is Children in Need Day. To celebrate, children can come to school in Pyjamas! Don't forget to bring a coat for outside and outdoor shoes for playtime and lunchtime. Please bring a minimum donation of 50p. For an extra £1 children can go into the Activity Hall at Lunchtime. This will be run by Pupil Voice and children can do some fun activities such as word searches, colouring and crafts. Remember that every penny helps a child in need and makes a difference. Volunteers for Children in Need help children all over the country who need help, so please take part in our Pyjama Day.

Thank you - Emily and Claudia (Pupil Voice)

## Reading

As we are quickly progressing through the Autumn term, we would just like to remind everybody of the importance of regular reading at home. At St Wilfrid's, we expect that children read at home, a minimum of three times a week, with planners signed weekly. Staff will check planners once a week and keep a record of the planners that have been signed, rewarding the children who have read three times or more with house points. We do appreciate all of the support that you give your children, particularly when we all lead such busy lives, but regular reading really does make a difference!

## Parents' Evening Meetings

If you have not booked a parents' evening meeting with your child's class teacher, you can still do so via the ParentApp. Appointment times are limited to 10 minutes, if you require longer, a separate appointment on a different day can be arranged.

## PGL

If your child is in Year 5 and will be taking part in next year's PGL residential, please ensure you have sent in the deposit.
